MEMORANDUM

Date: February 21, 2008
To: Jason Bajor, City Manager *JB*
From: Matthew Dusckett, Public Works Director *md*
Subject: Approve Purchase of Pickup Truck - Suburban Purchasing Cooperative

Issue: The 2008 CERF budget includes funds for the replacement of a 1999 one-ton pickup truck for Public Works. This vehicle is a front line vehicle used in maintaining the City infrastructure.

Analysis: The Suburban Purchasing Cooperative has obtained bids on these vehicles and allows member (Northwest Municipal Conference) municipalities to participate in purchases. The 2008 successful bidder is Currie Motors of Frankfort, Illinois, for Ford one-ton pickup trucks. The State of Illinois did not let a bid out on 4x4 one-ton pickup trucks this year.

Recommendation: With your concurrence, Staff recommends that Council approve purchase through Suburban Purchasing Cooperative bid of one Ford pickup truck from Currie Motors, 9423 W. Lincoln Highway, Frankfort, Illinois 60423 **at a total cost of \$33,840.00.**

Budgeted CERF funds for this truck is \$33,000. The \$840.00 overage is due to increases from the factory and rising costs of metals.

I would like this item placed on the March 3, 2008 regular City Council meeting consent agenda for Council consideration.
