**Wednesday  
October 18, 2017  
6:00 to 8:00 p.m.**

**Frisbie Senior Center  
52 Northwest Hwy.  
Des Plaines, IL 60016**

*What should the City of Des Plaines area look like in 2030?*

*Share your thoughts and ideas!*

*Bring your friends and neighbors.*

The City of Des Plaines is currently working with the Chicago Metropolitan Agency for Planning (CMAP) to update our Comprehensive Plan, a document that guides development and land use decisions in the city for the next five to ten years. As part of the process, we are engaging the public with the hope of gaining valuable input on current conditions and what residents would like to see for the future.

CMAP will update participants on the status of the project and attendees will have the opportunity to share ideas and discuss the future of Des Plaines. The workshop is open to all residents as well as those people who work in or visit Des Plaines. Children are welcome.
