Attention Residents: Brown Street (Alles St to Lee St)

Reference: 2017 Capital Improvement Project – Street and Utility Improvements
2017 CONTRACT B
Concrete Curb, Sidewalks and Driveway Aprons
NO DRIVEWAY ACCESS STARTING 10/23

Date: October 19, 2017

Dear Resident:

The contractor will begin the concrete curb, sidewalk and driveway apron work on Monday, October 23. This phase of work includes fine grading the stone base, establishing string line grades, pouring the curb, and framing and pouring sidewalk and driveway aprons.

IN ORDER TO COMPLETE THIS WORK, ACCESS TO YOUR DRIVEWAY WILL BE CLOSED STARTING AT 7:00 A.M. ON MONDAY, OCTOBER 23.

This restriction should last a **maximum** of fourteen (14) days. We will take samples to determine the strength of the concrete. As soon as the concrete has cured to allow traffic, the contractor will remove barricades to allow access.

All work is weather dependent and unknown utilities may cause delays.

During working hours (Weekdays, 7:00am to 6:00pm), please do not park on Brown Street. Please park your vehicles on nearby side streets (Oak, Alles).

During non-working hours, you may park your vehicles on the street.

Whenever possible, please try to limit your trips through the work zone during working hours.

If you need special attention or have questions or concerns about this project, please contact me at **(847) 391-5388** or **bshipp@desplaines.org**. If I am not available, please leave a message and I will return your call as soon as possible.

Sincerely,

A handwritten signature in black ink, appearing to read 'Becca Shipp'.

Becca Shipp, P.E.
Resident Engineer, City of Des Plaines
