2017 CONTRACT B
Asphalt Surface Pavement Work

Date: October 31, 2017

Dear Resident:

The contractor has scheduled the asphalt surface paving work on First for Wednesday, November 1.

The contractor may begin miscellaneous preparation at any time prior to placing the surface, such as milling the intersections, preparing the edge butt joints, sweeping, cleaning and priming the roadway.

All work is weather dependent and unknown utilities may cause delays.

Street and driveway access may be limited during working hours. Project working hours are weekdays, 7:00am to 6:00pm.

Please do not park any vehicles on the street. Please park your vehicles on alternate side streets or in your driveways.

Whenever possible, please try to limit your trips through the work zone during working hours.

If you need special attention or have questions or concerns about this project, please contact me at **(847) 391-5388** or **bshipp@desplaines.org**. If I am not available, please leave a message and I will return your call as soon as possible.

Sincerely,
